

Intro

Knucks

There was some great things she used to do with her tongue and now we're not together anymore. I miss her so much. She used to pig right down on my...

Woah, cool down now. Too much information baby. You're tuned back into NRG 105 with me Reggie Black. Where every day is a smooth Sunday. Let's take this here to the phonelines, we've got a caller on line one. Hey there, what can I play for you today baby?

Yo, you alright boss? Ay, can you play some of that new Knucks, yeah? Like that Breakfast at Tiffany's joint and that, dun know. Of course I can baby, I gotchu. Alright, who's on the next line?

Hi, what's good, what's good? Uhm, my name's Anna, from London, I'm just ready- like getting ready to go out with my friends and that. Is it cool if you play like... I don't know, what's that guys name? Some Knucks, yeah, he's fiery still. Is it cool if you play something like that? Or yeah, actually yeah just Knucks

Hahaha, looks like we got a lot of Knucks fans today. Alright, I gotchu baby. Okay, we're gonna take the last caller. Yeah man, yo brudda, can you play some Knucks for me please? Back to back, non-stop. You can dash a little Celine Dion in there as well, and when you're finished, run another Knucks tune. Hahaha, anything else, at all?

There was this other song, I can't remember what it was called man...

Who by?

Oh, it was by Knucks-

Damn, I get it, you guys like Knucks. Sheesh. You listening to Reggie Black on NRG 105 and we're gonna get into these smooth tunes baby

NRG 105
