(Stay Flee Get Lizzy)
(Stay Flee Get Lizzy)
(You are now listening to Young Chencs)
(No-No-No Days Off)
(Weren't-weren't-weren't)

Weren't tryna-
weren't tryna hit me then, no gasoline, she know I'm lit (I'm lit)
Yo, if we don't talk no more, D-N-D, you know what it is
Yo, you know what it was, didn't even clock them fed in front
She don't even know that I'm just bland
Can't waste my time, there's no refunds
She d-She don't really know that I'm just straight (I'm just straight)
But she wanna do Imjustbait
Wanna do Gaucho's, man just ate
She tryna tip from the mandems plate
Yo, thought she the only one, the only one, I'm stunned
Can't take that back like your old ting done
On-on-on-on my life, there's no refunds

Gotta show me action, no distraction, no reactions, yo
I don't lie in captions, see me there, just know I'm patterned
Call from the Modsy, you know it's sticks
Stop the cap, you ain't took no risk
S got the spin, no disk
'Bout to warm it up, no flask, yo
Imagine if bro did crash, wouldn't even be here now, it's mad
Regret what I did for cash, feds should call me "Flash"
LV made her stop and stare, had to compliment her hair
I like this caramel one, no éclair
Handle the back, I'm takin' care, yo

Weren't tryna-
weren't tryna hit me then, no gasoline, she know I'm lit (I'm lit)
Yo, if we don't talk no more, D-N-D, you know what it is

But she wanna do Imjustbait
Wanna do Gaucho's, man just ate
She tryna tip from the mandems plate
Yo, thought-thought she the only one, the only one, I'm stunned
Can't take that back like your old ting done
On-on-on-on my life, there's (Yo) no refunds

Come step with a G
You can lie, but I kept the receipts
Done-
done tryna bring that back, run the ting like that, get left in the streets
Heard your girl wanna settle with me and she reckon I'm takin' her knee
Might-might call up for the date then boy, I'ma skate like Avril Lavigne
Skeenis say that I'm way too lay back
Yo, I hate when they say that
I was in the dance with the Wray' and the ray bands
Came to her yard thinkin', "Where the milkshake at?"
Though she don't really rock with Kaleesh, she draw back cock and release

Shorty on my case with the face of an angel, but blow that top like a beast

Weren't tryna-

weren't tryna hit me then, no gasoline, she know I'm lit (I'm lit)

Yo, if we don't talk no more, D-N-D, you know what it is
