Kodak Black

Di yo dejanbem
Di yo dejanbem
Di yo dejanbem
Senyé, senyé
Senyé, senyé
Tande map criye, lage nan priyé
Senyé, senyé
Gade lavi mwen, l'ap lapli sou mwen

Senyé, senyé
Ede'm, m'beswenw
Senyé, senyé
Ede'm, m'beswenw

All the trees fade to green (Hmm)
I been praying to stay serene (Hmm)
You on Z 10, ain't you?
Why you posted by the grave for?
Why you thuggin' by the graveyard?
Sending money to the state yard
On the ugly with a nappy fro'
I look like my uncle Martino

I'm a vulture, not a mockingbird
I'm a vulture, not a mockingbird
Kisa'm ye si'm pa genyen'w
Bon'm yon men I'm fallin' on 'em
M sonje ou marenn
Senyé pa lage'm
Kisa'm ye si'm pa genyen'w
Bon'm yon men I'm fallin' on 'em
M sonje ou marenn
Senyé pa lage'm
Di yo Dejanbem
Di yo Dejanbem

I put the zomb down, everybody know I'm 'bout it
M rele zonbi yo mwen di yo tan talé
Got a clear view, you don't give a damn 'bout us
I fucking hate you, I don't wanna die about love
I don't wanna die about love
So I put the bottom side up
Need them Vicodin's like I'm down in Minnesota
She put the pack in town, already got it sewed up
Fat girl singin' but it still ain't over
Got the medditerrran in here, rolled up
I uplift you baby, 'cause you did the same thing
Think I told you, yet but baby I feel the same way
I hope you still love me lately
I'm still your big brother lately

M rele zonbi yo kounya m'ap fé yo konnen'm
Everybody that crossed me now m'ap fé yo dejanbem
Kisa'm ye si'm pa genyen'w
Bon'm yon men I'm fallin' on 'em
M sonje ou marenn
Senyé pa lage'm

Kisa'm ye si'm pa genyen'w
Bon'm yon men I'm fallin' on 'em
M sonje ou marenn
Senyé pa lage'm
Di yo dejanbem
Di yo dejanbem
I feel dejanbem
Senyé, senyé
