I don't know, bruh

(100% Juice)

Taylor told me that she'll never leave me
When we be sexing I get very sleepy
I got a song with Post Malone but I ain't heard it yet
I be hoping one day he release it
I be wishing I can keep my freedom
Must be something wrong with me 'cause I can't keep my friends
I be praying for one lady I could see again
I be wanting to fly away but I ain't Peter Pan
My lil' brother YoungBoy told me he look up to me
I don't know why but he been feeling like it's fuck me now
Bout to call him, tryna see what all this fussing 'bout
My lil' nephew turned two, they say he cussing now
Meek Mill told me I should have at least fifty M's
But what's the point in you telling me if you ain't gon' help me get it?
Hope you waiting for me and leaving halfway there
It'd change my life tonight if Donald Trump reduce my sentence
I could've played relations better with Caresha
I'm thinking back 'cause it's a whole lotta things I should've did
I'm having problems showing people that I really care
I don't know but I been thinking bout Jayda too much
I'm tryna take my time to try be more affectionate
Pray for me so I could stand on my words and look better
We look better together, you ain't gotta call, forever ma
I'ma get on that flight to wherever just to save face
I'm tired of sharpening metals more
I be hoping I don't never need
All this money make me feel I could do anything
I was reading 'bout Nick Blixky on the magazine
He lost his life to a gun, was only twenty-one
Redisha gave up on me and I ain't take that easy
Got a song with Adam Levine but I ain't heard it yet
I need a reload of that X, I'm tryna double stack
I'm going pop 'cause I ain't tryna catch a murder rep
I'm kinda tired of this fame and the internet
'Cause they be playing with my name like I won't kill a bitch
They be hating, throwing shade like I ain't killing shit

I'm sliding in a GLS with a dirty K
I'm tryna take my time to try and be more affectionate
I'm sliding in a GLS with a dirty K
I need a reload of that X, I'm tryna double stack

I'm going Pac 'cause I ain't tryna catch a murder rep
I'm kinda tired of this fame and the internet
'Cause they be playing with my name like I won't kill a bitch
I'm sliding in a GLS with a dirty K (facts)
'Cause I don't wanna be alone
