

Extra Clips

Kodak Black

Real Steppers
Shit know what I'm saying
Shit you know the rest you know what I'm sayin'

MM Got alot of bullets and extra clip
Pop alot of perky and ecstasy

I be ridin' dirty I got Tex in the whip
I be sliding lurkin tryna catch me a bitch

If I'm posted in the club there's too much pistols in this bitch
I don't throw money in the club I'd shoot a nigga in this bitch
Ain't beefing with nobody if you ain't tryna kill each other
I'm so bored I wanna body I be tryna catch me another
Got alot of bullets and extra clip
Pop alot of perky and ecstasy

I be ridin' dirty I got Tex in the whip
I be sliding lurkin tryna catch me a bitch

If I'm posted in the club there's too much pistols in this bitch
I don't throw money in the club I'd shoot a nigga in this bitch
Ain't beefing with nobody if you ain't tryna kill each other
I'm so bored I wanna body I be tryna catch me another

I'm hanging out the fan I just bought another cutter
If I catch him loafin' send that boy to his brother
I got on all my ice and non of these fuck niggas gone touch me
A thousand shots in this bitch my young niggas gone bust it
A thousand shots up in this bitch this shit here can get ugly
DOA broad day Mikey got hit with a dozen
Better ask my opps if I can't get you I'd kill your cousin
And we spin they blocks with Glock they shots don't do nothing
No more kicking doors I got that shit on me
I was just fighting the case now I want 10 for the fee
He got 4 perks shit fuck it I need 3
I ain't with all that talking I be laying right where you sleep
On God

Got alot of bullets and extra clip
Pop alot of perky and ecstasy

I'm so bored I wanna body I be tryna catch me another

I just got me a body now I wanna catch me another one
I just peeped the real niggas puss ass ain't on nothing
The way I slang this K you would think I'm from the ugly
If yak say let it spray AR hitting no discussion
Brought out every solider know them choppas there
They know I'm a threat spin a bin and I won't leave a trace
He ain't get to hit AR boom just felt it eat his face
We don't do no 556's only 308's this a SRT so when I hit the gas it twerk
2000 baby fell in love with drank and popping perk
This street they for the G's and if your scared then go to church
Bitch I'm really shiesty might just spin the wake and flood the herse nigga

Got alot of bullets and extra clip
