

Facetime Hiding

Kodak Black

Why you don't FaceTime hiding from me
Why you don't turn on the lights for me
Why don't you shut up and ride for me
You need to shut up and ride for me
Why you don't FaceTime hiding from me
Why you don't turn on the lights for me
Why you don't shut up and ride me
Girl you need to shut up and ride for me

Free Draco that's my slime buddy
I was on probation still opp hunting
Better be ready your time coming
Got a 11 million and 9 hundred
Track hawk only a jeep
I keep my main niggas on beat about them I tear up the street
Jump out the bently and park the seat
Won the hoe with the word I say
Bet I murder with a
Smile on my face
Spent 250 on a watch today
So I guess I got time to waste
Hop in the wraith I smash it
This ain't the car going off fast in
I'm a silent assassin
I be minding my business but still getting active

Why you don't FaceTime hiding from me
Why you don't turn on the lights for me
Why don't you shut up and ride for me
You need to shut up and ride for me
Why you don't FaceTime hiding from me
Why you don't turn on the lights for me
Why you don't shut up and ride me
Girl you need to shut up and ride for me

This is FaceTime girl why you hiding your face
Why don't you shut up and do what I say
I wanna ride I don't want no brakes
My baby tote that fire she ain't got no mace
Niggas be fake baby I'ma need you to be the realist one on my side
This ain't a phrase baby
Actually you ain't gone ride your ass gone die
Bitch show me your face hoe
I didn't call FaceTime just to see Half your eye
Or put up this Draco better not be no other niggas coming to your house
I'ma just give you my heart consignment
You need to understand the assignment
Help me cope cause all my folks keep dying
I'ma need some love to calm down my violence

Why you don't FaceTime hiding from me
Why you don't turn on the lights for me
Why don't you shut up and ride for me
You need to shut up and ride for me
Why you don't FaceTime hiding from me
Why you don't turn on the lights for me
Why you don't shut up and ride me

Girl you need to shut up and ride for me
