

Harlem Nights

Kodak Black

DA got that dope

Mmm, shawty leavin' me on seen 'cause I'm outta sight
Thinkin' 'bout them days and all the nights
When they use a nigga pride on then Harlem nights
Cracker racist, but I'm talking to him like I'm nice

I'm so motherfuckin' bored, I'ma read a book
I've been pushin' up a pon tryna steal a rook
I'on wanna catch corona so I'm drinkin' Bel Air Luxe
My niggas want me on the corner, but I'm in the booth
The Hatian mafia crips told me that they got my back
But when I'm bendin' the whip through Harlem I still tote the p
ipe
Niggas hatin' on the low, but I be too damn high
They tryna catch me out the door, that's why I stay inside
I'm switchin' lanes and fuckin' models, think my baby know
'Cause shawty always tryna argue, I'ma shoot her toe
We in miami on the yatch, she tryna drive the boat
I got her fucked up 'bout my lingo, she been stealin' quotes
Shawty leavin' me on seen, got a nigga bent
I deleted every message that I ever sent
Remember posted in the trap and I ain't have no dough
My nigga tryna get me set, but I'm just wanted poke
I said fuck the studio, I'm runnin' in the sto'
I was sixteen on a mission tryna get some goals
Play with E Murder, you get murder by yo momma doke
I still love him like a brother, hope my nigga know
I'ma send a voice recordin' if the bitch don't answer
Lost my feelings in the cage, now I'm a German Shepard
I think the mail room playin' games 'cause I ain't get no lette
r
Me and my nigga Johnny Cage, we so fuckin' pressure, yeah
I was fuckin' with this wax like that nigga Geechi
I used to tote a MPX, but I ain't get to squeeze it
Got so much love for my city, I'm always on my Z shit
Man, I'ma put her on a jet before she try to leave me
Shawty leavin' me on seen like a nigga square
Feel like puttin' that pistol on her, snatch her by her hair
I don't know who the fuck you lookin' for, bitch, I'm a million
aire
I dropped few hits behind the wall and turnt up everywhere, yea
