

Hate Being Alone

Kodak Black

Like I done did enough time and shit
Like by myself and shit
Like right now, I just wanna
I just wanna be with you all the time and shit
Like every day
Every day
Supreme
Beam me up, Scotty
I don't wanna be alone for a day
I rather be alone with you, bae
Ooh, ooh

I don't wanna be alone for a day (I don't wanna be by myself)
I rather be alone with you, bae (don't leave me by myself)
I done did enough time in the cave (enough time in the cell)
I don't wanna be away from you, bae (let's be by ourself)
I don't wanna be alone for a day (I don't wanna be by myself)
I rather be alone with you, bae (don't leave me by myself)
I done did enough time in the cave (enough time in the cell)
I don't wanna be away from you, bae (let's be by ourself)

I don't wanna be alone
I don't wanna be alone
I finally found the one I wanna keep
I'm a thug, but when it come to you, I'm sweet
I'm behind in every goal you wanna reach
If you leave me, I don't know how I'mma breathe
I don't wanna sound territorial
But I need you in my corner
Who else is there to hold ya?
Why should I be alone for?
Girl, I want you in my chest like a flu
If I ain't got you, I don't know what I'mma do

I don't wanna be alone for a day (I don't wanna be by myself)
I rather be alone with you, bae (don't leave me by myself)
I done did enough time in the cave (enough time in the cell)
I don't wanna be away from you, bae (let's be by ourself)
I don't wanna be alone for a day (I don't wanna be by myself)
I rather be alone with you, bae (don't leave me by myself)
I done did enough time in the cave (enough time in the cell)
I don't wanna be away from you, bae (let's be by ourself)

Girl, you be all in my head, I'm always thinkin' through
I don't even wanna go to bed if I can't sleep with you
No, I ain't take my meds 'cause all I need is you
One foot in the game, one foot in the fed, I'm breakin' rules
I'mma chase this bread and chase this loot while I'm chasin' you
Beyoncé, Destiny's Child, you the one I cater to
Fuck a holiday, every day be Valentine's Day for you
I don't care what my dog say, two seater, me and you in a coupe
We can't fit three people 'cause this a two seater
Me and you ridin' with the heater
Gotta keep the Uzi tucked
Niggas be envious
Even though they know we handlin' stuff
But I gotta keep the hammer tucked 'cause even my dogs be jelly of us

I don't wanna be alone for a day (I don't wanna be by myself)
I rather be alone with you, bae (don't leave me by myself)
I done did enough time in the cave (enough time in the cell)
I don't wanna be away from you, bae (let's be by ourself)
I don't wanna be alone for a day (I don't wanna be by myself)
I rather be alone with you, bae (don't leave me by myself)
I done did enough time in the cave (enough time in the cell)
I don't wanna be away from you, bae (let's be by ourself)

Just be by ourself
Me and you, no one else
Ayy, hahaha
Ayy, fuck with me
I want you in my chest like the swine flu, girl
[?], you know what I'm sayin'
Know what I mean, you know what I'm talkin' about
HBK
