Kodak Black

Institution baby girl what it is
How you doing
Send me a kite
You keep a nigga grinding

I'm missing you, I'm like what you doing?
What you getting into baby who you screwing?
I'm missing you, I'm like what you doing?
Trying to get to you but I'm in institution
I'm in institution
Trying to get to you but I'm in institution

I got to write you a kite, I got to keep it real
I don't know when I'm coming home, that's how I really feel
I know its getting to you bad probably shedding tears
You hearing rumors they saying I caught 11 years
I hope you understand it's the life I live
And this what come with a street nigga, girl that's what it is
I'm in this situation but could you love me still?
Cause I won't change on you even if I get a record deal
I'm a rip my heart out my chest, I'm a put it in this envelope
They got me way in Virginia with these Virginia folks
Without my momma and my brothers, girl you all I got
Could you send me some pictures cause that would mean a lot
I'm wondering what you doing and where the hell you at
And when I do get back, hope you still where I left you at
And if they send me to jail can you send me a pack?
I'm in here writing raps, I'm in here getting fat
But one day I'll be back, they can't hold me forever
Okay now write me back, I'm waiting on your letter

I'm missing you, I'm like what you doing?
What you getting into baby who you screwing?
I'm missing you, I'm like what you doing?
Trying to get to you but I'm in institution
I'm in institution
Trying to get to you but I'm in institution

If I wasn't paper chasing I'd probably never leave ya side
