Look what I get  
Look what I get for bein' loyal  
Look what I get for bein' real  
Look what I get for bein' true  
Look what I get  
This what I get for lovin' you  
This what I get for lovin' you  
Look what I get for bein' loyal  
Look what I get  
Look what I get for bein' real  
This what I get for bein' true  
Look what I get for lovin' you  
Look what I get

You got my number, so don't take it to the Internet  
I'm a real nigga, so I don't get into that  
Kill Bill, I be flyin' with the kill TEC  
I don't believe in karma, I ain't get killed yet  
But I don't wanna die, I just wanna live  
Real niggas don't die, we get on the pill  
[?] 'bout to come home on the pill  
And he 'bout to offer fam another plea deal  
I can't even S.I.P., can't smoke in peace  
I can't even R.I.P., can't roll in peace  
I don't rest in peace, bitch, I roll in peace  
I can't even H.I.P., can't hoe in peace  
I'm cheatin' on my bitch, but I can't hoe in peace  
I ain't lukewarm, bitch, I'm cold as heat  
Ayy, fuck with me, I'm fuckin' loyal  
Niggas kill you 'cause they love you, they want no remorse  
How the fuck you put a baby on child support?  
I'm married to the game, I don't want no divorce  
I set a standard, then I stand on it  
This what I get for bein' real, don't it?  
This what I get for bein' real, do it?  
And I ain't got no heart, so I don't feel Cupid  
And I don't show no love 'cause I don't get in return  
I don't show no love 'cause I don't get what I earn  
I don't show no love 'cause I don't get what I deserve  
Took my energy off the curb, put it on the verse  
Now every time I say a word, cost a quarter million  
I'm rockin' pony hair boots, this is pony hair  
I'm rockin' pony hair boots, this is real fur  
And I be lookin' like a million every time I splurge  
That's just what I get for bein' real to her  
That what I get for bein' real to you  
I stepped up out the game, had to step in the booth  
I stepped right on a nigga, now I step in the booth  
And trust me, I ain't ever need a vest for the booth  
And I ain't had no choice of what you left me to do  
You made me heartless  
You made me heartless  
You made me  
You made me heartless  
  
Look what I get  
Look what I get for bein' loyal

Look what I get for bein' real  
Look what I get for bein' true  
Look what I get
