

No Codefendant

Kodak Black

Of course I wanna see you make it
Shit, only if you taking me with you
Shit. If you ain't taking me withcha now I don't know Shit

Cause I ain't looking out no more so you ain't fucking with me
You don't want to see me make it no more since you ain't coming with me
And when I'm riding through the city I don't need no soldiers with me
Cause when I'm sliding on a nigga I don't need no codefendant
All cause I ain't looking out no more so you ain't fucking with me
You don't want to see me make it no more since you ain't coming with me
And when I'm riding through the city I don't need no soldiers with me
Cause when I'm sliding on a nigga I don't need no codefendant

I'm on posted on the Ugly, I'm outcha" in the open, wet it
I'm on that Zoe shit
Ain't no hoe shit
Ain't no folding in me
I got like four lil bitches on here, That one with no Jimmy
I ain't wear no suit and tie right now but I give the nigga the business
I should have killed my cousin that night cause he was my only witness
But I ain't kill him cause I love that nigga till infinity
And If I buy a house, you feel like you deserve to live in it
And If I buy a car, you feel like you deserve infinity
How the fuck you feel like that, when you weren't ouchta here with me gettin
g it
You wasn't even at my sentencing
I was in a fucked up predicament
Oh you don't love me no more?
I ain't your brother no more?
Cause I don't give you nothin" no more
I ain't your brother no more

Cause I ain't looking out no more so you ain't fucking with me
You don't wanna see me making no more since you ain't coming with me
And when I'm riding through the city I ain't need no soldiers with me
Cause when I'm sliding on a nigga I don't need no CoDefendent
Oh Cause I ain't looking out no more so you ain't fucking with me
You don't wanna see me make it no more since you ain't coming with me
And when I'm riding through the city I ain't need no soldiers with me
Cause when I'm sliding on a nigga I don't need no CoDefendent

You ain't have to eat grits, 3 in the morning
You ain't have to sleep with a nigga on the toilet
I don't wanna ball, [?] wearing Jordan's
All that bullshit, I'm trying to avoid it
I ain't ask you when you had your shot
I ain't ask you when we got kicked out
I ain't ask you, I was posted on the block
I was doing fraud, I was going up top
I was eating peanut butter
Nigga how you got my number
I don't really owe nobody
Matter fact I don't know nobody
Matter fact nigga leave me alone
I ain't tryna get out my zone
I ain't trynna get out my bubble
I ain't on that shit you on

I don't wanna relapse on niggas
I better not wack me a nigga
I'm just tryna rap these songs
So let me just rap these songs
You ain't take me when you had your time
You ain't take me when you had your shine
Why when I'm focused y'all saying I got changed
It's like y'all wanna see me in them chains

Cause I ain't looking out no more so you ain't fucking with me
You don't wanna see me making no more since you ain't coming with me
And when I'm riding through the city I ain't need no soldiers with me
Cause when I'm sliding on a nigga I don't need no CoDefendent
Oh Cause I ain't looking out no more so you ain't fucking with me
You don't wanna see me make it no more since you ain't coming with me
And when I'm riding through the city I ain't need no soldiers with me
Cause when I'm sliding on a nigga I don't need no CoDefendent
