

# Take One

Kodak Black

You know, me, I ain't doing no Tweetin' (Glee!)  
I ain't doin' no Tweetin'  
Sniper Gang, Kodak

I'm on house arrest but I'ma take one  
That pussy bitin', so I paid to get her lace done  
That nigga dissin' on the 'Gram, but I ain't say nothin'  
I ain't trippin, I'ma get him when that day come  
I'm on house arrest but I'ma take one  
That pussy bitin', so I paid to get her lace done  
That nigga dissin' on the 'Gram, but I ain't say nothin'  
I ain't trippin', I'ma get him when that day come

I'ma lay on lil' buddy for 'bout 8 months  
If I whack him now, everybody gon' say somethin'  
He tryna cop deuces, I don't tolerate none  
He tried to pull up to the corner but he can't come  
Yeah, we ran down on fooly, he a wankster  
He portrayin' to the media he gangsta  
That pussy bitin', got me thinkin' about a ring or sum'  
That pussy bitin', make a nigga wanna sing or sum'  
Lil' cracker fucked up and then he put a bracelet on  
So I'm slidin' in a Tahoe with a ray gun  
I'm gettin' the money, I ain't even gotta pay for it  
That pussy so good, I give her everything she want

I'm on house arrest but I'ma take one  
That pussy bitin', so I paid to get her lace done  
That nigga dissin' on the 'Gram, but I ain't say nothin'  
I ain't trippin, I'ma get him when that day come

Niggas gettin' kidnapped just to show you that it's real  
Niggas gettin' snatched, showin' you niggas know right where you live  
When you dissin me, nigga, that better be really how you feel  
'Cause I ain't takin' no apologies, I don't care if it's sincere  
I'm on 1800 block, still posted with the steel  
I don't even care, I got a couple mil still in the field  
I'm a bussiness man how I give a pussy nigga the deal  
Like an engineer I give a pussy nigga the drill  
I be lovin' when we vibin'  
I be lovin' when we chill  
And that pussy so damn good, it make a nigga shed a tear  
Slidin' lowkey booted  
He a shooter, I recruited him  
Better keep that toolie if he move then you shootin' him  
Glee!

I'm on house arrest but I'ma take one  
That pussy bitin', so I paid to get her lace done  
That nigga dissin' on the 'Gram, but I ain't say nothin'  
I ain't trippin, I'ma get him when that day come
