

# Take You Back

Kodak Black

You know what, I'ma take the L on this one  
It's really a W 'cause I'm pursuing my love  
And I don't care what nobody gotta say about this  
I'ma take you back  
(Skip got the bounce, it go crazy)

I'ma take you back, baby, 'cause you took me back before  
Yeah, you did me wrong, but I had did you bad way before  
I'ma take you back, baby, let's go all the way this time  
If I take you back, I swear you better not play this time  
I'll take you back 'cause you took me back before  
I did you bad, you did me bad, so be good

I'ma call this evening, okay?  
I'ma call this evening, okay, baby?  
I'ma call this evening, okay?  
Ain't no more leavin', okay?  
I'ma call this evening, okay, baby?  
I'll take you back 'cause you took me back before  
I did you bad, you did me bad, so be good, yeah  
I'ma call this evening, okay?  
Ain't no more leavin', okay?  
Ain't no more cheatin', okay?  
Let's say when

Don't go misleadin' me, I won't mislead you  
I was on the phone with Project Pooh, he said he seen you  
You done got your get-back now, okay, we cool  
Thought you'll always take me back like ladies do  
I'm sorry I ever mistake you for a fool, bae  
We done played each other, now let's just play this through, bae  
I done read your text and I almost started cryin'  
I done read your text and I almost started cryin'  
Come on, let's sext like it's the last time  
Come on, let's sext like it's the last time

I'ma take you back, baby, 'cause you took me back before (Bae)  
Yeah, you did me wrong, but I had did you bad way before (Yeah)  
I'ma take you back, baby, let's go all the way this time (Bae)  
If I take you back, I swear you better not play this time (Yeah, yeah)  
I'll take you back 'cause you took me back before (Oh)  
I did you bad, you did me bad, so be good (Oh)

We good  
I'ma spend more time with you than in the hood this time

I told 'em you real, you would blam with me  
Stood ten toes when they was playin' with me  
All these bitches mad you be stayin' with me  
Feel way better when you layin' with me (Layin')  
I let you hit the lean a few times, you couldn't stand Rémy  
Post a pic, you got the world watchin', babe  
And you stay trendin' (Yeah)  
You got wig for days (Yeah), stay on your shit  
You never give a fuck 'bout a bitch (Yeah), stay focused  
Don't let your visions change, no one to blame, nowhere to hang  
AP cost and it's definitely plain, only on jets, not a regular plane (Regula

r plane)  
Only The Fam', not a regular gang (Regular gang)  
I'm from the mud, this is definitely pain  
I'm watchin' your Twitter  
I watch who you post on the 'Gram, I watch who you crop out the picture (Yeah)  
80K for a new smile, you still give me kisses  
I got a mouth full of stitches  
Please, I'm sorry I cheated, I'm sorry I cheated  
Please, you know I need you, and you need me

I'ma take you back, baby, 'cause you took me back before  
Yeah, you did me wrong, but I had did you bad way before  
I'ma take you back, baby, let's go all the way this time  
If I take you back, I swear you better not play this time  
I'll take you back 'cause you took me back before  
I did you bad, you did me bad, so be good

We good  
I'ma spend more time with you than in the hood this time
