

# Brother

Kodamine

When we were young  
We were the ones the kings and queens, oh yeah we ruled the world  
We smoked cigarettes, man no regrets  
wish I could re live every single word

We've taken different paths and travelled different roads  
I know we'll always end up on the same one when we're old  
And when we're in the trenches and you're under fire I will cover you

If I was dying on my knees  
You would be the one to rescue me  
And if you were drowned at sea  
I'd give you my lungs so you could breathe

I've got you brother  
I've got you brother  
I've got you brother  
I've got you brother

Oh brother we go deeper than the ink beneath the skin of our tattoos  
No we don't share the same blood,  
You're my brother and I love you that's the truth

We're living different lives,, heaven only knows  
If we'll make it back with all our fingers and our toes  
Five years, twenty years come back, we'll always be the same

If I was dying on my knees  
You would be the one to rescue me  
And if you were drowned at sea  
I'd give you my lungs so you could breathe

I've got you brother  
I've got you brother  
I've got you brother  
I've got you brother

And if we hit on troubled water  
I'll be the one to keep you warm and safe  
And we'll be carrying each other  
Until we say goodbye on our dying day

Because I've got you brother  
I've got you brother  
I've got you brother  
I've got you brother

If I was dying on my knees  
You would be the one to rescue me  
And if you were drowned at sea  
I'd give you my lungs so you could breathe

Oh Oh Oh Oh Oh x 2

I've got you brother  
I've got you brother
