

## Saving Grace

Kodaline

When you're out in the open  
And you're tired of hoping  
I'll be there in a moment  
I'll be by your side  
When you're scared and you're lonely  
When there's no one to hold you  
I just want you to know that  
I'll be by your side

You keep me strong when I can't carry on

When you lose your feet, fall down to your knees and your heart's about to break  
I will be your saving grace  
When your eyes can't see, take my eyes from me  
When you're lost and losing faith  
I will be your saving grace

Be my, be my, be my saving grace  
Won't you be my, be my, be my saving grace

When my heart's getting older  
And my body is breaking down  
In my head yeah I know that I'll be by your side  
I don't know about the future

No one knows what the future holds  
All I know is I know that I'm giving you my life

You keep me strong when I can't carry on

When you lose your feet, fall down to your knees and your heart's about to break  
I will be your saving grace  
When your eyes can't see, take my eyes from me  
When you're lost and losing faith  
I will be your saving grace

You keep me strong when I can't carry on

When you lose your feet, fall down to your knees and your heart's about to break  
I will be your saving grace  
When your eyes can't see, take my eyes from me  
When you're lost and losing faith  
I will be your saving grace

Be my, be my, be my saving grace  
Won't you be my, be my, be my saving grace
