

Shed a Tear

Kodaline

It's harder to see through the eyes of a stranger
It's easy to love when the world doesn't hate ya
When you tryna send out but nobody hears a word
It's easy to swim when the tide's not against ya

(You've been here for)
I know that you've been here before
(Never let go)
And giving up is letting go
(They'll follow)
But you don't have to follow

I'll shed a tear for you
Up in your eyes, I'm by your side
I'm never leaving you
Darkness of light, stay through the night
I'm walking in your shoes
So you know that it's the truth
When nobody's here for you
We made it clear
That I'd shed a, I'd shed a tear
(Shed a tear, shed a tear, shed a tear)
Shed a tear, shed a tear)

And I feel your pain when I know you're in trouble
And I'll take the blame from the hurt in your struggle
But when you tryna speak out but nobody hears a word
I'll be your voice in your head on my shoulder

Oh
(You've been here for)
I know that you've been here before
(Never let go)
And nothing is impossible
(They'll find alone)
But you don't have to find alone

I'll shed a tear for you
Up in your eyes, I'm by your side
I'm never leaving you
Darkness of light, stay through the night
I'm walking in your shoes
So you know that it's the truth
When nobody's here for you
We made it clear
That I'll shed a, I'll shed a tear
(Shed a tear, shed a tear, shed a tear)
I'll shed a, I'll shed a tear (shed a tear)
I'll shed a, I'll shed a tear (shed a tear)
(Shed a tear, shed a tear, shed a tear)
I'll shed a, I'll shed a tear (shed a tear)
I'll shed a, I'll shed a tear (shed a tear)

When you're living through your darkest hour
And when you're getting closer to the ash

I'll shed a tear for you

Up in your eyes, I'm by your side
I'm never leaving you
Darkness of light, stay through the night
I'm walking in your shoes
So you know that it's the truth
When nobody's here for you
We make it clear
That I'll shed a, I'll shed a tear
(Shed a tear, shed a tear, shed a tear)
I'll shed a, I'll shed a tear (shed a tear)
I'll shed a, I'll shed a tear (shed a tear)
(Shed a tear, shed a tear, shed a tear)
I'll shed a, I'll shed a tear (shed a tear)
I'll shed a, I'll shed a tear (shed a tear)
