

Worth It

Kodaline

The stars in the pavement
Are washed up and jaded
There's blood on the streets of gold
A beautiful waitress
Who just couldn't make it
So far away from home

Are you strong enough? Are you wise enough?
Are you giving up? Will you disappear?
When it comes to me, I don't know you see
I don't want to leave, but I can't stay

I don't know if it's worth it
Is it worth it? I don't know
I don't know if it's worth it
Is it worth it? I don't know
I don't know
I don't know

No one can see them
The angels and demons
Are testing how low you'll go
The sunsets and sunsets
As dark as your heart gets
It's best if you just say no

But are you strong enough? Are you wise enough?
Are you giving up? Will you disappear?
When it comes to me, I don't know you see
I don't want to leave, but I can't stay

I don't know if it's worth it
Is it worth it? I don't know
I don't know if it's worth it
Is it worth it? I don't know
Is it worth it? I don't know

I don't know, if I want it or if I don't
I don't know
I don't know if it's fine now or if it's not

I don't know if it's worth it
Is it worth it? I don't know
I don't know if it's worth it
Is it worth it? I don't know

I don't know
I don't know
I don't know
