My boss said I took like two hundred out the drawer

And then he tried to fight, so I smacked him in his jaw
Now I'm runnin', runnin', runnin', runnin', runnin' from the la

Sing

Whoa, whoa-whoa, whoa, whoa, I got money to blow
So pour it up and fill my cup till I can't take no more
Whoa, whoa-whoa, whoa, whoa, I got money to spend
So pour it up and fill a cup for me and all my friends

The police can't catch me, man, every time they came
I told them, "Better put some respect on my name"
The only one I'm scared of, my old ball and chain
Now I'm runnin', runnin', runnin', runnin', bitch, get out the

So pour it up and fill my cup till I can't take no more
Whoa, whoa-whoa, whoa, whoa, I got money to spend
So pour it up and fill a cup for me and all my friends

My girl called me all night, said, "Turn yourself in"
I said that I can't do it, I'm still drinking with my friends
Ain't no way that's happening, I'm staying till the end
I ain't runnin', runnin', runnin', runnin' anywhere again
I ain't runnin', runnin', runnin', runnin' anywhere again
