

I've been trying to find a way to tell you
That I don't hurt no more
I'm feeling sorry 'bout the things I said
But I won't take them back, oh no
Was it something that you want to
Something that you need to get off your chest?
I'm on a southbound train
And it ain't lookin' good from here

Now I'm driving down the highway losing my mind
It's more than I have to give
There ain't no other reason to let you fall
So I just give in
But if it's so damn hard for you to let me go
Then just let me know
'Cause I'll be lonely
Peace of mind, it's already moved on

Well, I've been trying to find a way to let you know
I've been alright
It's good to know at the end of the day
That I can sleep at night
Was it something that you want to
Something that you need to get off your chest?
I'm on a southbound train
And it ain't lookin' good from here

'Cause when I'm driving down the highway losing my mind
It's more than I have to give
There ain't no other reason to let you fall
So I just give in
But if it's so damn hard for you to let me go
Then just let me know
'Cause I'll be lonely
Peace of mind, it's already moved on

You ain't never gonna change
You ain't never gonna change
You ain't never gonna change
You ain't never gonna change, oh no
You ain't never gonna change
You ain't never gonna change, oh no

'Cause when I'm driving down the highway losing my mind
It's more than I have to give
There ain't no other reason to let you fall
So I just give in
But if it's so damn hard for you to let me go
Then just let me know
'Cause I'll be lonely
Peace of mind, it's already moved on
Yeah, I'm already gone
