

I'm Done

Koe Wetzel

Well, you don't know that I know
I plan to keep it that way for as long as I can
Til the truth comes out and
Your conscience has done eatin' away

I hope he makes you happy
Like I tried to do for so long
Maybe just let it all out
Like I'm about to do in this song

'Cause I'm done
And I can't do it anymore despite how hard I try
Baby, I'm done livin' with these chances I've givin' to you
Yeah, I'm done

Well, I can finally breathe
It feels so good to know you're not runnin' around on me
Keep your eyes wide open 'cause karma's a bitch and I heard she
ain't jokin'

I'm done
I can't do it anymore despite how hard I try
Baby, I'm done livin' with these chances I've givin' to you
I'm done

And I'm done
I can't do it anymore despite how hard I try
Baby, I'm done livin' with these chances I've givin' to you

Oh, I'm done
I can't do it anymore despite how hard I try
Baby, I'm done livin' with these chances I've givin' to you
I'm done
