

Didn't Mean To Turn You On

Koffee Brown

Baby its me out here doin my thing
I just got paid today
Im shakin it from left to right up and down
You like the way I drop down south
Or maybe its you are you with your crew
Scopin out the honeys like you do
Fly ass all the time on the prowl
I know how you get down

So I say no (Think about it)
Dont get too close (Think about it)
Cause this aint where youre suppose to be
So what your feelin me
I say no (You think about it)
I don't think so (Think about it)
See I played the role before
Won't be a fool no more

I didn't mean to turn you on (I didn't mean to turn you on)
Even though you fly as hell
I know you well (Didn't mean)
I didn't mean to turn you on
Even though I peeped your whip I aint gon trip.

Baby its me up in VIP chillin with the platinum pinky ring
Could it be the chromed out rims the jeans and tims
Make you want to get with me
Maybe its you the things you do got me wanting you
Could it be the big brown eyes the sexy thighs
Baby let me ride don't say no

So I say no (Think about it)
Don't get to close (Think about it)
This is where your supposed to be
I know your feelin me
I say no (You think about it)
I don't think so (Think about it)
I know that youve been hurt before
I could give you so much more

I didn't mean to turn you on
Didn't mean to turn you on
Even though that ass looks tight I wanna ride
I didn't mean to turn you on
Didn't mean to turn you on
Girl I like the way you shake I wanna taste

I didn't mean to turn you on
Didn't mean to turn you on
Even though your fly as hell I know you well (didn't mean)
I didn't mean to turn you on
All the ladies think your fly and so do I didn't mean
The fellas think your fly and so do I didn't mean

How that sound why greet at 2am you on my 2-way talkin slick

Even though that ass looks tight I wanna ride

I didn't mean to turn you on
Didn't mean to turn you on
Even though your fly as hell I know you well
