## **A Terrible Way**

She took the harder way to go out With a knife against her throat She slowly sliced away The news struck hard

A terrible way For these two to come to an end A horrible sight She nearly cut right through her neck They couldn't believe That this could happen next door A terrible way For these two

He laid upon the kitchen floor With an icepick in his brain She had to save them both

They said it was a murder suicide Yet no motive could be found They were the perfect pair So fitting
