Ballin

Kofi

I was on the road doing numbers in the snow
Now I'm stacking up these bands, man I'm ballin'
Back when I was broke ain't no bitches in my phone
Now they ringing on my line, they been callin'

I gotta stack bands for my niggas in the ville
So if I'ma go at all, I go all in
I been ducking hoes, making money on my own
I said I won't fall in love, but I'm fallin'

I ain't ever had cshit, but I'm on now
I just made a hunnid bands and I don't know how
I came up out the mud, I'm from the dog pound
See if you talkin' beef, I'm 'bout the whole cow

I remember late nights on the greyhound
And now it's forgiatos rims, wrist bustdown
Bet I never change up on my mans (no)
Even if I blow up, a nigga ten toes (down)

Cause I was on the road doing numbers in the snow
Now I'm stacking up these bands, man I'm ballin'
Back when I was broke ain't no bitches in my phone
Now they ringing on my line, they been callin'

I gotta stack bands for my niggas in the ville
So if I'ma go at all, I go all in
I been ducking hoes, making money on my own
I said I won't fall in love, but I'm fallin'

No, I got no friends on me
And I gotta watch my back cause I got bands on me
Ain't no Civics, now we pull up in a Benz homie
Remember days when I was walking on my Air Force

I did some time in the ghetto, I can't do more
Ain't no bad nigga sleepin' on the damn floor
Got to workin' man a nigga put the time in
And now I pull up on a nigga got me shining

Now my wrist is AP rollie, always brightly
I keep turning to the money it's exciting
And I lost some niggas to the streets, that shit's frightening
You can feel the pain in the songs that I'm writing

All these girls hit my line, I been ducking
I say "sorry lil mama, this is all I know"
Fell in love with a girl, but I can't cuff no hoe
Came home for a minute, but I'm back on the road (yeah)

Cause I was on the road doing numbers in the snow
Now I'm stacking up these bands, man I'm ballin'
Back when I was broke ain't no bitches in my phone
Now they ringing on my line, they been callin'

I gotta stack bands for my niggas in the ville
So if I'ma go at all, I go all in

I been ducking hoes, making money on my own
I said I won't fall in love, but I'm fallin'
