

Out The Way

Kofi

Yeah, yeah
Yeah, yeah
Aye yeah, yeah
Out the way
Yeah, yeah, yeah
Out the way, out the way
Damn Kofi

You can catch me on the west side that's where I stay (Where I stay)
I've been working, I been grinding day to day (Day to day)
I just want to move my family out the way (Out the way)
I just tryin' move my family out the way (Out the way)
I'm in Scarborough only is this where I stay (Where I stay)
I ain't got a quarter milli on my name (On my name)
I just want to move my family out the way (Out the way)
I just tryin' move my family out the way (Out the way)

My sugars they [?]
My sugars hit lovin'
Why can't I name my bullets got a name price
He gonna sing like a [?]
Cooler than the cool guy
Oops, I'm in some mob fight
Hungry call her Ramadan
Remember when first wanted us
Hotter than the [?]
Anytime for the [?]
Came up of trap [?] young nigga let me know if you need tho
Sauce it for you sascal
Sauce it up [?]
Could catch me out in Trafford down to party
My shorty gonna shoot especially of a Molly
And I fuck [?] so you could caught a mad Molly (Mad Molly)
And you know if Pressa get the crit
Then get the trolley (Go get your trolley)
And my hitter he a hitter he gonna hit you (Buh Buh Buh)
And I make music for the rec cause they don't get you (Don't get you)
If the [?] don't block, they gonna stretch you (They gonna break you)
Where I'm from
When you catch a body they respect you (Buh Buh Buh)

You can catch me on the west side that's where I stay (Where I stay)
I've been working, I been grinding day to day (Day to day)
I just want to move my family out the way (Out the way)
I just tryin' move my family out the way (Out the way)
I'm in Scarborough only is this where I stay (Where I stay)
I ain't got a quarter milli on my name (On my name)
I just want to move my family out the way (Out the way)
I just tryin' move my family out the way (Out the way)

I'm just tryin' move my family out the way now, now
From Toronto up to Cali in LA
41 to 45 that's where is stay now, now
Look around and ain't nobody know my name (Know my name)
But they know my swag, they know my flow, they know my style
They know my hoe, they know mind, they know my bro
They know all my friends, they know all my foes and all my [?] and

All my clothes and all my cash and my clout
They know all this shit about me shit that I ain't even know
You can catch me on the west I'm at a party
Women now they tweaking off the lean and off the Molly
Pull off in the [?] with my baby riding shordie
I gotta ride the west so when I'm down I'm OG Gummy
Some bout' the way that'll make a nigga crazy
Maybe it's my shordie and the way she call me baby
I'm a slow it down from night
Body on my left and my right (Yeah, yeah)

You can catch me on the west side that's where I stay (Where I stay)
I've been working, I been grinding day to day (Day to day)
I just want to move my family out the way (Out the way)
I just tryin' move my family out the way (Out the way)
I'm in Scarborough only is this where I stay (Where I stay)
I ain't got a quarter milli on my name (On my name)
I just want to move my family out the way (Out the way)
I just tryin' move my family out the way (Out the way)
