

Skrt Off

Kofi

I whip to the bag and then I skrt off
Got a bad bitch she on me with her skirt off
Walk with gg cause my city filled with murder
Been a minute ya I had to wipe the dirt off

She A
Big body call her bertha
Get to talking U could barely get a word off
I got steppers from Toronto to Alberta
I'm not that nigga that u heard of

It's okay
Filled my neck with water for a rainy day
Niggas see me eating, wanna eat up off my plate
OT, OT, OT niggas don't know where I stay
Yeah I ride with demons This a hellcat not a wraith

You ain't safe
Niggas that I grew up with they don't know how to play
Unless I got my steppers with me I can't show no face
I'm Sorry I'm too grungy baby I can't go on dates

And you know I'm Bout my cake
Even if I took a loss you know I'll be okay
So much dirty money I might need another safe
I Got so many secrets take a U-Haul to my grave

Hemi blacked out
Watch me back out
Cuban choker fucked my neck up almost tapped out
I'm the first one in the stu and I'm the last out
Lil shordie told me hit it till she...
