

Wait On Me

Kofi

Wait on me
Wait on me
Girl I promise it'll be worth the wait ah
So wait on me
You know I'd do the same same for you
Girl I promise ill change, change for you

Know I could change baby girl take the blame put it all on me
No I can't be selfish cause I ain't a saint but you're all for
me
I ain't tryna play your mind
Cause we both play for the same damn side
And I ain't stopping till your mine

Wait on me
Wait on me
Girl I promise it'll be worth the wait ah
So wait on me
You know I'd do the same same for you
Girl I promise ill change, change for you

Yea I talk a lot of shit like a petty boy
Yea, she look at me like is you ready boy
I know that you will (wait on me)
I took your ass through hell and back, with me
But you still (wait on me)
Ill wait for you too if I had to
But I need you to (wait on me)
I need you

Wait on me
Wait on me
Girl I promise it'll be worth the wait ah
So wait on me
You know I'd do the same same for you
Girl I promise ill change, change for you

Wait on me
Wait on me
Wait on me
Yeah
Wait on me
