Pray for your life (life)  
You don't wanna see the 45 (five)  
Yeah my niggas will come ri-hi-hide yeah  
With 9 milli yes no lie

Sutten needs clearing up, niggas acting bad but ain't manning up  
Gorillas on the block and we ballied up  
Thinking that your tough, you ain't standing up, don't come outside

Nigga don't carry on, round here they call me Mr Stallione [?]  
Yeah I'm still hungry, I get your belly gone  
Now I'm killing these niggas through the microphone  
I know these Niggas mad at home

Something is telling me these niggas lying  
Oh something is telling me this all lies (yeah)  
Why these niggas coming like they getting money, nigga don't play about this money  
Got gorillas in the jungle, and they coming and they ready to spray so just be humble

Mi no say them watching them watching  
But they can't do a ting (na na)  
Mi mind on my money, my money, we steady getting [?] right now (na na now)  
No lie I'm not the you want to try (no no)  
No lie, this song gon' make your girlfriend slow wine (yeah yeah)

Just wait, wait a minute, yeah the ting by my waist is the size of a midget  
No games, mi no the gimmicks  
Don't waste your time, it will take your life  
Away, we go and bill it, I ain't got no time for the pussy's and the critics  
Don't hate, they gonna feel it this is summertime fine yeah the kid gon' shine  
In the morning run the money up (yeah)  
It's on my mind from when I'm yawning  
At the top still coming up  
My niggas wan' shine but they just won't grind  
Whole life I be ready yo, now these pagan niggas play me on stereo  
Real ice in my videos, come the across the line yeah the ting will sky

Mi no say them watching them watching  
But they can't do a ting (na na)  
Mi mind on my money, my money, we steady getting [?] right now (na na now)  
No lie I'm not the you want to try (no no)  
No lie, this song gon' make your girlfriend slow wine (yeah yeah)

Lets go there (uh huh), take it there (uh huh)  
Boys they [?], we gon' cause wahala (uh huh)  
Lets go there (uh huh), take it there (uh huh)  
Boys they [?], and the party don't scatter (yeah yeah yeah)
