

## Life Goes On

KOKIA

Life goes on  
Even if time passes by sadly, even if your heart seems to break  
Life goes on  
That's why I have to live strongly even if you're not here beside me  
Even if I don't wish for tomorrow to come

Life goes on, that's why I have to live today  
Even if I cry my heart out, something starts to change slowly  
Life goes on

Just like a wind  
These eyes can't see the beginning or the end, can you see it ?  
Just like a wind  
These hands can't grasp the beginning or the end

Life goes on, I'm still here  
Life goes on, and my life won't wait for me

Life goes on  
Even if time passes by sadly, even if your heart seems to break  
Even if you're not here beside me  
Even if I don't wish for tomorrow to come  
Life goes on...
