

## Make Sense

KOKIA

I love the way that you've said to me.  
Every day is part of life.  
Even if it's grey.  
It makes sense to me.  
In our lives, the music still plays.  
I can sing it for you, if you will stay with me.

Tra la la la...

Sometimes it's not the way that I expected.  
But it makes sense to me. It makes sense to me.
