

# I Don't Care No More

Koko Taylor

You broke my heart when you first broke the news  
You up and said that we were through  
But I don't care, I don't care no more  
Once upon a time I did  
You done me wrong, honey, and I don't care no more

When I know I done my very best  
To try to bring you happiness  
That's why I don't care, I don't care no more  
Once upon a time I did  
You done me wrong, honey, and I don't care no more

A million dollars couldn't buy me from you  
You done me wrong, now a penny will do  
Oh, yeah, yeah, yeah, I don't care no more  
Once upon a time I did  
You done me wrong, honey, and I don't care no more

A million dollars couldn't buy me from you  
You done me wrong now a penny will do  
Oh, yeah, yeah, yeah, I don't care no more  
Once upon a time I did  
You done me wrong, honey, and I don't care no more

No more, baby no more, I don't cry no more  
Oh yeah, I won't cry no more  
Once upon a time I did  
You done me wrong, honey, and I don't care no more

No more, no more, oh yeah, yeah
