Fall

Kolby Cooper

Well baby I know I got my bad habits
And girl I know you're as perfect as can be
But the way you're swayin' in the moonlight
Girl it's got me feelin' so right

So just fall with me
Yeah you never know where this one might lead
Yeah baby fall with me
Forget about life and all of its madness
Forget about love and all of its sadness
And fall, yeah fall

Baby I know that I ain't good for you
But I'm good enough so baby let's just see
Just a slow dance in these bar lights
Yeah it's got me thinkin' you might, you might

Fall with me
Yeah you never know where this one might lead
Yeah baby fall with me
Forget about life and all of its madness
Forget about love and all of its sadness
And fall, yeah fall

Fall with me
Yeah you never know where this one might lead
Fall with me
Forget about life and all of its madness
Forget about love and all of its sadness
And fall, yeah fall

Yeah you never know, you never know, you never know where this might lead
So fall with me
