Borderlands

Kollegah

Yeah
Kollegah the boss
Borderlands, yeah

I'm a menace (Yeah), I got a palace (Yeah)
Shinin' in the north like Aurora borealis (Ooh)
In this game emotions slowly vanish like Venice (Ahh)
Love means nothin', ain't talkin' 'bout tennis (Yeah)
If it ain't about cash, then it don't make sense (No)
Hoes just objects in my eyes like a contact lens (Yeah)
Borderlands, drug spots, switchin' duffle bags
Money stacks, might be counterfeit, gotta double-check
Borderlands, it's the criminal roller
Save some figures for a rainy day like biblical Noah (Yeah)
'Cause the day might come when I gotta pay some hitmen
To find you and put you in a clinical coma (Drr)
I pop up with some goons (Yeah)
And a cleaning lady to wipe blood stains off my shoes when I let shots spray in' on your crew
I'm troublesome (Yeah)
I'm here to kick ass and chew bubblegum
And I'm all outta bubblegum

As we make it to the borderlands
Dream chaser, three hundred miles speed racer
Gotta meet some honored friends
Street slayers, narcotraffic, free labor

Bentley coupe drop-top, ambitions as a ridah (Yeah)
Borderland, drug spot, black crows in the sky
From Poland to the Netherlands (Netherlands)
To the Czech Republic borderland (Borderland)
Borderland, drug spot, black crows in the sky

Kevlar vest (Vest), armored glass (Glass)
As we make it to the borderlands (Yeah)
When there's war, we go ra-ta-ta
That shit make me a godfather, Francis Ford Coppola (Yeah)
We ain't tatted up, we our skin pure (Pure)
'Cause we been told God's creation must not be injured (Yeah)
Forgive our sins, Lord (Lord)
I'm givin' orders like a kingscourt and everybody all ears, Prince Charles (Ja)
My word carries weight like the Hollywood ladders (Uh)
I'm droppin' knowledge like a fuckin' college professor
Charisma like I sniffed a handful of coke
Everyone accepts that I'm the white gangster rap G.O.A.T.
Eminem says he won't, he a blasphemist denier (Tzeh)
That wanders Himalaya like Google Maps in China (Drr)
The Uzi shootin', super leveled fire
Killin' you, your crew and the random Uber taxi driver

As we make it to the borderlands
Dream chaser, three hundred miles speed racer
Gotta meet some honored friends
Street slayers, narcotrafic, free labor

Bentley coupe drop-top, ambitions as a ridah (Yeah)
