

# Medieval

Kollegah

Yeah, grab the GLOCK, put the clip in  
You goin' against me was a fucked-up decision (Fucked up)  
Got you drugged like a doctor's prescriptions (Yeah)  
Then catch you up with utmost precision 'til your blood flow is missin' (Yeah, yeah)  
Your shady ways were tellin' me somethin' (Uh)  
I cut holes in your head, you a Halloween pumpkin (Hehe)  
Next time talkin' money bring some relevant somethin' (Yeah, bring it)  
)  
Or bring your mom so I can shove my elephant trunk in (Yeah, bring it)  
)  
Investin' in my Rolls-Royce collection (Yeah)  
Garage full of Ghosts and Phantoms, it's a haunted mansion (Woo)  
I'm back in this bitch (Back)  
If one of these bastard rappers wanna mess with me, an army should be backin' this bitch

Pull the chopper out, hit the switches  
We goin' medieval on them bitches  
Expect no mercy, rra-rra-rra on them snitches  
We goin' medieval (Medieval)  
Pull the, pull the, pull the chopper out, hit the switches  
We goin' medieval on them bitches  
I roll with dragon slayers (Was?)  
Who enter the dragon's lairs (Was?)  
And pierce a sword through the dragon's layers (Yeah, yeah)

Crackin' skulls like chicken eggs (Hah)  
How you gonna run from me with chicken legs? (How?)  
Met your mother in the toilet of a Walmart store (Yeah)  
In a nutshell, I got brain, walnut core (Nut)  
She horny, givin' head like a ragin' bull  
I'm paid in full, why are you softer than a baby skull? (Why?)  
Doin' candle-light dates on Valentine's day (Tz-yeah)  
You's a borderline victim like the Palestine state  
Don't tell me you ain't crack-abusin' (Uh)  
Look how the pupils have grown in size, class reunion (Oh)  
Emaciated, too broke for a dinner  
Time to go cold turkey, Anatolian winter (Go)  
Kollegah on a throne like a king (King)  
See that white boy drippin' (Drippin'), snowman in spring (Spring)  
Only tellin' true shit (True shit)  
Knock most of your teeth out and you can use a broomstick as a toothpick

Pull the chopper out, hit the switches  
We goin' medieval on them bitches  
Expect no mercy, rra-rra-rra on them snitches  
We goin' medieval (Medieval)  
Pull the, pull the, pull the chopper out, hit the switches  
We goin' medieval on them bitches  
I roll with dragon slayers (Was?)

Who enter the dragon's lairs (Was?)  
And pierce a sword through the dragon's layers
