Girl I don't have much just my loving touch.

And I hope that's alright with you.

I know we just meet but I'll never let my hesitation lose you.

I gotta tell you that I'm one foot off the ground.

I'm getting to you but my weight keeps pulling me down.

Ohh can't you see(can't you see) yeah, that you're the only one for me.

I don't know what this is, is this love. All I know is that you're all I think of. And I don't know what this is, is this love. All I know is that you're all I think of of of. Is is this love love.

Girl we talk so long these feelings are so strong. I think that we should be together. I feel something inside, something I cant describe And it's not getting better. I gotta tell you that I'm one foot off the ground. Im getting to you but my weight keeps pulling me down. Ohh can't you see(can't you see) yeah, that you're the only one for me.

I don't know what this is, is this love.
All I know is that you're all I think of.
And I don't know what this is, is this love.
All I know is that you're all I think of of of.
Is is this love love.

I don't know what this is, is this love.

I don't know what this is, is this love.
All I know is that you're all I think of.
And I don't know what this is, is this love.
All I know is that you're all I think of of of.
Is is this love love.
