

Natural High

Kolohe Kai

I am on a boat above water
Jamming for my sister and brother
Looking up above to these stars
And I know this life, it is ours
I see all the beauty around me
I'm so glad the ocean has found me
As I wash away all my scars
I know that these waves, these are ours

I am on a, I am on a
I am on a natural high
I am on a, I am on a
I am on a natural high

Oh the water coming true
She is the one, yeah, yeah
Oh the water coming true
Where has she gone, where, where
Oh the water coming true
She is the one, yeah, yeah
Oh the water coming true
Where has she gone, where yeah

I got to ride
The wave of the day, the wave of the day
How I feel inside
Nothing is wrong na no it is alright
Oh the rhythm is pumping
And I know just what to do, yeah yeah
I got a story to tell you
And I really wanna tell it to you, oh oh

I am on a, I am on a
I am on a natural high
I am on a, I am on a
I am on a natural high

Oh the water coming true
She is the one, yeah, yeah
Oh the water coming true
Where has she gone, where, where
Oh the water coming true
She is the one, yeah, yeah
Oh the water coming true
Where has she gone, where yeah

It's that time of day
Come along to celebrate
And I don't really know just what you do
If this rhythm stops then I'm gonna feel
Gonna feel blue, ooh

It's that time of day
Come along to celebrate
And I don't really know just what you do
If this rhythm stops then I'm gonna feel
Gonna feel blue, ooh

I am on a, I am on a
I am on a natural high
I am on a, I am on a
I am on a natural high

Oh the water coming true
She is the one, yeah, yeah
Oh the water coming true
Where has she gone, where, where
Oh the water coming true
She is the one, yeah, yeah
Oh the water coming true
Where has she gone, where yeah
