

Saltwater Sweetness

Kolohe Kai

I pulled up upon the sand
Drove my truck straight through this island
Drank up my soda can
I'm laughing, everyone smiling, yeah

This is a mission complete
A mission complete
We've found the secret
This life is simple and sweet
Is simple and sweet
Tell me what beats this
No not much can beat it, yeah

Oh it's a nice day, the water so fresh
I've been dreamin' of a solid surf session
The right waves, nothing can contest
I've been dreamin' of a solid surf session

La la la, la la la, yeah
La la la, la la la
Oh it's my weakness
La la la, la la la, yeah
La la la (la la la)
Oh yes that saltwater sweetness

I got a date with Ms. Blue
I'm tickled when she laughs, and I'm gigglin' too
Keeps me down to earth
And I feel like I'm glued to the soles of her feet
And I'm really never letting go

This is a mission complete
A mission complete
We've found the secret
This life is simple and sweet
Is simple and sweet
Tell me what beats this
No not much can beat it, yeah

Oh it's a nice day, the water so fresh
I've been dreamin' of a solid surf session
The right waves, nothing can contest
I've been dreamin' of a solid surf session

La la la, la la la, yeah
La la la, la la la
Oh it's my weakness
La la la, la la la, yeah
La la la (la la la)
Oh yes that saltwater sweetness

I got bills
And I need refills
I'm living so chill
And I want to go down
Sleep on this shore
If I wanna ride some more

There is one thing I'm hunting
It is what I look for yeah

Sugar woo woo
Sugar woo woo
I can taste sugar in the water so blue
Sugar woo woo
Sugar woo woo
I can taste sugar in the water so blue, say

La la la, la la la, yeah
La la la, la la la
Oh it's my weakness
La la la, la la la, yeah
La la la
Oh yes that saltwater sweetness

Water so fresh, solid surf session
It's a nice day, right waves
Water so fresh, water so fresh, solid surf session
La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la
