

# Fly

Kongos

Got that look in your eye  
Like you came out of the ashes  
Been up in the sky  
Looking for some matches  
So you say you want a pyramid  
You're gonna need some stones for that  
Because in Babylon, everyone becomes what they're stepping on when  
You're trying to get to the headstone

Can I tell you a secret?  
I think you were a friend of mine  
You took the rest that you needed  
But you came back in the nick of time  
Can I tell you a secret?  
I think you were a friend of mine  
You got the eyes of a phoenix  
I'll see you on the other side  
I'll see you on the other side

If you want it to fly  
You gotta put some wings on it  
If you want it to burn  
You gotta put some fire on it  
If you want it to fly  
You gotta put some wings on it  
You got that look in your eye  
I'll see you on the other side  
I'll see you on the other side

Since the beginning of time  
I've wondered who I am  
You made a loop of a straight line  
Now I've got no sense of the time spent  
So I said I want a pyramid  
I'm gonna need some help with that  
Because in Babylon, anyone can talk another into seeing light coming off of  
the headstone

Can I tell you a secret?  
I think you were a friend of mine  
You took the rest that you needed  
But you came back in the nick of time  
But you came back in the nick of time

If you want it to fly  
You gotta put some wings on it  
If you want it to burn  
You gotta put some fire on it  
If you want it to fly  
You gotta put some wings on it  
You got that look in your eye  
I'll see you on the other side  
I'll see you on the other side  
I'll see you on the other side  
You got that look in your eye  
I'll see you on the other side  
I'll see you on the other side

I'll see you on the other side
