

I Am Not Me

Kongos

When I move as you move
And I do as you choose
When I shuffle my shoes
Then I know I can't lose

But I can, can not be free
Cause I am, I am not me

So I move without thinking
Get high without drinking
My body starts shaking
The fever is breaking

But I can, can not be free
Cause I am, I am not me
And I can, can not be free
Till I am, I am not me

I can, can not be free
Cause I am, I am not me

Till I know where I'm from
I can't say where I'm going
Got here fast without paying
So it goes without saying

That I can, can not be free

So I move as you move
And I do as you choose
And I shuffle my shoes
So I know I can't lose

I can, can not be free
Cause I am, I am not me
And I can, can not be free
Till I am, I am not me

I can, can not be free
Cause I am, I am not me
Cause I am, I am not me

When I move as you move
And I do as you choose
And I shuffle my shoes
And I know I can't lose
So I move without thinking
Get high without drinking
My body starts shaking
The fever is breaking
I am

When I move as you move
And I do as you choose
And I shuffle my shoes
And I know I can't lose
I am
So I move without thinking

Get high without drinking
I am
My body starts shaking
The fever is breaking
I am not me

I can, can not be free
Cause I am, I am not me
And I can, can not be free
Till I am, I am not me
Cause I am
