Keep Your Head

Kongos

I walk the streets in my own world
A sea of faces pass me by
Each face I know has a story to be told
But I'm just too wrapped up in mine

So keep your head, keep your head
Keep your headphones on
Make 'em loud, make 'em loud
Drown out all the sound
Keep your head, keep your head
Keep your headphones on
Don't look around, look around
At what we've become

So keep your head
Keep your head
Keep your headphones on
Drown out all the sound

I walk the streets in my own world
I dream of faces night and day
Each place I've seen I am loved by one and all
I daydream all my time away
I daydream all my time away
I daydream all my time away
I daydream all my time away
I daydream all my time away…

So keep your head, keep your head
Keep your headphones on
Make 'em loud, make 'em loud
Drown out all the sound
Keep your head, keep your head
Keep your headphones on
Don't look around, look around
At what we've become

Keep your head, keep your head
Keep your headphones on
Make 'em loud, make 'em loud
Drown out all the sound

Keep your head
I walk the streets in my own world
(Keep your headphones on)
I walk the streets in my own world
(Keep your headphones on)
