Dem no like mi but a just suh  
The last time a check a care zero  
Cause nuff a dem smile when dem see yo  
But as yo back turn a dem a pree yo  
And a pree fi defeat yo

A lucky thing wi no beg, wi no love fire  
No bwoy nah put on mi pot  
Mi cyaa believe a dem friend in a the cold  
Yeh, badmind because wi hot  
Guess what? As a likkle money get in a the picture  
Dutty colors a go show who a switcher  
Dem pree the beemer and the cons weh yo in a  
And a wish a dem did richer  
Wi done seet

Less a dem, better fi mi  
Think dem was friend  
Never fi mi  
Swear seh a mi family dem  
But dem was never no brother to mi  
Jah, Jah, seh son nobody cyaa page yo  
Some a dem a ask how mi hype and stay suh  
Sit down pon mi name every bloodclaat day suh

A just another lesson in a life  
Dem happy when yo deh in a yo stripe  
Dem would a buss yo throat wid a knife  
As soon as yo get a likkle blessing in a life  
That's why when a soldier real to yuh  
That important like a meal to yuh  
Ready fi anything  
So the pussy dem can do anything dem feel

Dem no like mi but a just suh  
The last time a check a care zero  
Cause nuff a dem smile when dem see yo  
But as yo back turn a dem a pree yo  
And a pree fi defeat yo

A lucky thing wi no beg, wi no love fire  
No bwoy nah put on mi pot  
Mi cyaa believe a dem friend in a the cold
