Right now one more day pon the slavery
Mi feel like seh mi a go crazy
Mi remember the days when mi mash up the work an the bossy never

So mi haffi do things caw mi no lazy
Mi haffi look the food fi the baby
Light bill, water rate, an the land lord soon come page mi

Money mi seh man no fi broke
Wi go fi likkle bit an wi go fi nuff
From mi likkle an a grow mi look inna the mirror
An seh one day my money haffi nuff
So mi do things, do things, do things, do things
Do things, do things, money mi seh man no fi broke
Wi go fi likkle bit an wi go fi nuff

So watch yah clear the road like the road a paper
Life no easy inna Jamaica
Anything wa yo want yuh fi know seh
Nothing naw come free yuh got to pay fa
So wa the money wi a file it up
Stock it up, pock it up, an pile it up
Yeh gangster to the link
No freak cyaa come inna the link
Come soil it out

Clean money, money cyaa dutty up
No surrender, no give up
From mi likkle an a grow mi look inna the mirror
An seh one day my money haffi nuff
So mi do things, do things, do things, do things
Do things, do things Money mi seh man no fi broke
Wi go fi likkle bit an wi go fi nuff

Mi clean money, money cyaa dutty up
No surrender, no give up
From mi likkle an a grow mi look inna the mirrow
An seh one day my money haffi nuff
So mi do things, do things, do things, do things
Do things, do things Money mi seh man no fi broke
Wi go fi likkle bit an wi go fi nuff
