

Inside

Konshens

I wanna be inside a you girl
Wanna touch your soul yea
I wanna be inside a you girl
Make you lose control yea

So girl just open up, let me in
Don't seh no time fi yes begin
MI have the key fi the lock
When the door pull, whole city lock
You body calling, hot line, 911/119
Physical soul on mine
You and I must join
You body just good suh, neat suh
And yuh smell so good
Waan tek yo home and love you like a real man should
Wanna give you all of it
This is what I wanna say

I wanna be inside a you girl
Wanna touch your soul yea
I wanna be inside a you girl
Make you lose control yea

I've being waiting
For so long, so long
Is like am falling and I can't hold on, hold on
Am gonna take it slow, mi naw go race
You get to set the place
Receive every drop of my love
No meck the loving waste
I've being waiting patiently
For this opportunity
Now that I get the chance, I got to make ti lost

You body just good suh, neat suh
And yuh smell so good
Waan tek yo home and love you like a real man should
Wanna give you all of it
This is what I wanna say

I wanna be inside a you girl
Wanna touch your soul yea
I wanna be inside a you girl
Make you lose control yea
