I've seen friends turn enemies  
And enemies turn friends  
So I trust my energy

And I keep my mind open  
What more can I do?  
Give dem yuh all and they still turn on you  
Oh, dem dangerous fi true

Aye you will try till yuh die  
If ah people you waan try please  
Yuh catty will turn ah rat and bend her back  
Fi di right mount ah cheese, yeah  
If everybody say dem doh fake  
Tell me what's real  
Say dem heart did line wit gold  
Time reveal say ah steel, yeah  
But ah just life
