

Gyal come meck we  
Leggo, leggo, leggo  
Get mad in a the middle a the party  
Get mad in a the middle a the

Leggo, leggo, leggo  
Get mad in a the middle a the party

Gyal mi love how yo body feel paw  
The way how you whine you feel  
Music a play so nice  
Meck mi feel a vibe  
And meck you feel a vibe too

What a turn up party  
But a don't see nobody  
Just me and you  
Girl come meck wi

Watch how the gyal dem hotter than  
Madder than, badder than  
Every man grab a gyal  
Every gyal grab a man  
Decent people a act like vagabond  
Place on fire but don't call fireman

I love your look  
And the way yo whining you got me up  
What you wanna do? Just me and you
