

# Not Going Home

Konshens

We just want music and rum  
We just want music and rum  
We just want music and rum  
We just want music and rum

We not going home  
We not going home  
We not going home  
We not going home until the party done  
We not going home  
We not going home  
We not going home  
We not going home until the party done  
We not going home  
We not going home  
We not going home  
We not going home until the party done  
We not going home  
We not going home  
We not going home  
We not going home until the party done

The truck dem still a line up  
The gyal dem still a wine up  
Meck the music play  
No bother tell mi bout time up  
It is that time a year  
Fi get bout all career  
Selector find a gear  
Keeping jumping, jumping, jumping  
The gyal dem out a road  
And dem out a clothe  
Sexy over load  
When shi wine it, when shi turn it  
Over don't take it over board

I don't wanna go home  
I don't wanna go home until it's over  
I don't wanna go home  
I don't wanna go home until the party done
