

Ole Digga

Konshens

I work on a construction site
I am the foundation man
I love to do hard work
Some man love to draw the plan
My boss is a serious lady
She ask me what is my roll
I look at her gold and say
My roll is to dig the gold

I want a tool dig so deep
That they will loose and call forever
So deep that they will loose and call forever
So deep that they will loose and call forever
So deep that they will loose and call forever

Mi nuh waan yuh fi ramp pon the site
Work a day come back fi the night
Flash to the light
Meck sure yo equip fi the work from right
Use yo shuvvle and dig the hole right
Pack the box dem neat and tight
After do that last work yo put down
No house could a never blow down

Right now mi a work till mi tired
If mi seh mi no tired mi a liar
Have being digging, and mixing
And dropping, and laying
Foundation have to be dig
And leaper like this don't cheap
have got to excavate it carefully
My reputation here to live

[Repeat Chorus]
