You haffi tek hi serious a nuh, nuh, toy
You haffi tough it up, although the dutty rough
Nuff man out a road wi si a drive in a range
If dem pickney get a plate a food that strange
Mi naw tell no lie
Mi feel like mi a go dead anytime mi daughter cry

Mi nuh know weh some man come from

How dem live in a mansion
And dem pickney live in a dump land
Mommy seh shi nuh see him
Him a seh a nuh fi him

Dawg look how yo son favor you
Look pon the likkle girl
Treat you baby mother like shi deserve the world
Big up all the real mothers out there
And every daddy fi a sing it out there

Even though I cant be there everyday
My presence felt anyway
Mi haffi touch the road
Food haffi eat, and bills haffi pay
But I never turn my back
