So many of my homies dead and gone
Just the same as yesterday
Trouble makin kids from around the way
People said we wouldn't reach nowhere
They didn't stop us, we didn't care
Cause we knew what we had to do
To make it out the ghetto
And I know

We are hustlers
And hustler neva quits
You gotta go hard for the benefits
Mek dutty badmind haffi live with it heeey
We are hustlers
And hustler neva quits
You gotta go hard for the benefits
We tryin to make it out the ghetto

Yo

Dem chat a bag a ting
Call us gangsters, killers and some otha ting

And hustler neva quits
You gotta go hard for the benefits
Mek dutty badmind haffi live with it heeey
We are hustlers
And hustler neva quits
You gotta go hard for the benefits
We tryin to make it out the ghetto

I rememba rice and butter and police button
Whole heap a mi nigga dem dead fi notin
Just the same as yesterday

Trouble make again from around the way
People said we wouldn't reach nowhere
They didn't stop us, we didn't care
