

## Push Fi Start

Konshens

Wi no fraid a no body some bwoy have lion face and kitty heart  
None a dem no bad dem a push button push fi start  
Dem a no gorilla kind mi seet she the only thing dem a killa ti  
me

Dem have the heart of a kitty cat  
Action fig wan and them a lippy lippy chitty chat  
Mi head cool don't get it hot  
If dem get it hot wi a go make the whole city hot

Mobay no take bad up and dising thing  
Bwoy dis a one knock like chi chi ching  
Wi head a fry like chicken wing  
Any john crow fly eagle rise and clip him wing  
Wi no itch wi no buck shuffle  
When the southiest dem knock every door open  
Fool talk the most when the place crowd up but real gangster no  
loud up

Dem a bad man picture shot a show  
Never yet mash a ant never yet step pon a toe  
Dem have words and san a throw  
Wi no throw words no mix-up like raga show  
Open bwoy rolling calf  
Wi no fraid mi affi laugh  
Ugly face telephone cut cross  
Membra she scarface dead in a the lost
