

Hard, hard time
For the truth and for justice
Hot, hot spot
To throw cash in the ring
It's all about the price
The money's here to break the ice

Policia and crimi-criminal
State gangster love affair
Highly, highly sexual

Hold on, hold on, hold on
You can bring to the town square
You hold on, hold on
It's no secret how to get there

Long, long line
For the ones who are hungry
Fat, fat meal
For the cream at the top
It's all about the price
The money's here to break the ice

Guilty conscience
It's all to get free, it's all to get free
